

Train the Trainer

Who should attend?

This course is suitable for anyone new to a training position, who has been asked to take on training responsibilities within their existing role, experienced trainers wishing to refresh or anyone who wishes to improve their skills in a structured way so that they are more effective in getting results from the training they deliver.

Course Aims & Objectives

The purpose of this course is to teach delegates essential training skills and how to train people in the most effective way.

By the end of this course delegates will be able to:

- Understand the different types of trainers
- Improve their questioning, listening and presentation skills
- Deal with difficult situations that may arise in training situations
- Plan and deliver a presentation
- Devise a plan of work that can be implemented into their job role
